7. [ ] In connection with his earlier requests  
pertaining to the repainting of the Headquarters building in 1965, I advised  
Mr. Ernest Baynard, Staff Administrator, House Government Activities  
Subcommittee, of my inconclusive efforts in obtaining for him Agency  
personnel who had served as escort personnel, and Baynard seemed to  
fully appreciate our position. Baynard is, however, still interested in  
obtaining four or five chips of paint randomly selected from surfaces painted  
in 1965. (See memorandum for the record of 14 April.)

9. [ ] Howard Keough, DODS, called to say one  
of their "downtown offices" received a call from a Mr. Mote, who identified  
himself as being on Senator Carl Curtis' staff, indicating an interest by an  
unnamed constituent from Nebraska in the downtown office. Mr. Keough was  
interested in verifying Mr. Mote's affiliation with Senator Curtis. I advised  
Mr. Keough that Walter L. Mote is a Professional Staff Member on the Senate  
Committee on Rules and Administration of which Senator Curtis is the Ranking  
Minority Member. Mr. Keough advised that since the matter apparently had  
been handled to Mr. Mote's satisfaction, there was no point in pursuing it  
further.
